## E-Portfolio Workshop

An E-portfolio Workshop was arranged by the CPA Club on 21 October 2020. The workshop was taught by 3 ABAA Alumni. This activity aims at teaching students on how to make E-portfolio which can be incorporated into their CVs for articulation or job-seeking purposes. There were 16 ABAA and 3 BACC students participated in the Workshop. Upon completion of the workshop, students can grasp the hand-on skills of making their e-portfolios which help them to “Stand Out From The Crowd”.
